

Aug. 8 - 1987 Kenowatha Park, Wilton

After Lizzie Rogers had made plans for our reunion in June 1986 for our August 1987 meeting - can you imagine her dismay this morning - after unloading her car, setting up registrar table to have another person arrive and say the Mitchell reunion was being held in same place? She was devastated to say the least! However, the park manager came to her rescue and told her we could use the main lodge - no stove - refrigerator door broken but plenty of room - tables - seating and rest room. What else could we do?

In spite of the confusion and with help of those that had arrived we were able to have buffet lunch at noon time.

Visiting - getting acquainted, help in genealogy and remembering names seemed to be heard amongst those present.

At the business meeting Bernard (Gene) Adams called meeting to order and introduced his family and asked each one to introduce themselves. There were 49 present - from the states of Iowa, Indiana, & Mass. In Maine from the towns of Cankland, Falmouth, So. Portland, N. Windham, Waterville, Westbrook, Jay, Turner, Hartford, Canton, Wilton, E. Wilton, Bryden, Livermore, New Gloucester, and Andover.

Minutes of last year's meeting was read and treasurer's report given. Both were accepted, as read.

There wasn't any old business so new business was in order. Richard Towne gave Gene copies of idexes of the second fifty years of Adams reunion records to be added to the copies already made by him. He also told us that copies of the reunion records had been placed in the Maine State Library in Portland and in the University of Maine in Orono.
